Chapter 1

User Account

1.1 Create an account

Choose   from the top navigation bar to open the registration page. The register form now appears.

The form is a light gray rounded rectangle containing four input fields on the left, each with a label: 'Email:', 'Password:', 'First:', and 'Last:'. To the right of these fields are four corresponding empty input boxes. Below the input boxes is a checkbox labeled 'Please send me your newsletter' and a dark red 'Submit' button.

Figure 1.1: New account form

Fill in the registration fields for the email, password, first name, last name. If you would like to receive our newsletter, please mark the appropriate entry. You can unsubscribe later in your account. Create your password using 8 characters or more. It should be any combination of letters, numbers, and symbols.

 The submit button is disabled as long as the password strength is not at least 75%.

When you are finished, click the Submit button to submit the registration. Once you have created the account, an email will be sent to you. Open your email program and click on the confirmation link in the email to confirm your email address.

⚠ As long as you have not confirmed your email address, you will not be able to log in.

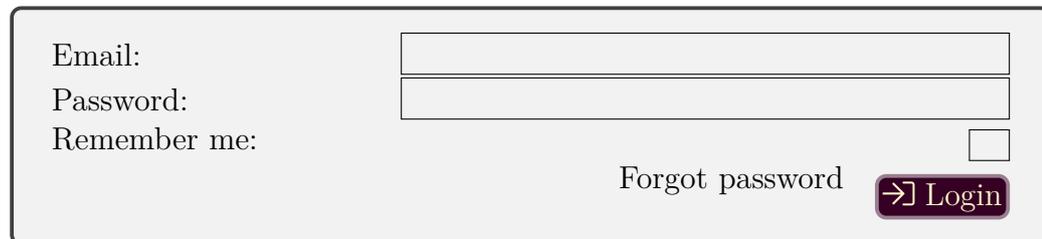

After your email address has been confirmed, your account is activated and you will receive a confirmation email.

💡 We are using gravatar.com for the user avatar. An "avatar" is an image that represents you online—a little picture that appears next to your name when you interact with websites.

1.2 Login

Choose  from the top navigation bar to open the login page.

The login form now appears.

The login form is a rectangular box with a light gray background and a thin black border. It contains the following elements: "Email:" followed by a text input field; "Password:" followed by a text input field; "Remember me:" followed by a small square checkbox; "Forgot password" text link; and a dark purple "Login" button with a white right-pointing arrow icon.

Figure 1.2: Log in form

Enter your email address and password and click on login. If you have forgotten your password, click on the link "Forgot password".

1.2.1 Reset Password

Edit your email address and click on the Reset Password button. You will receive an email with a link to enter your new password.

1.2.2 Delete your account

If you would like to delete your Codex Vinum account, see the instructions below:

1. Log in to Codex Vinum.
2. Visit the account page.
3. Click the "Delete account" link.
4. Codex Vinum will ask you to provide your password to confirm the action.

 Deleting your account will remove your personal information from Codex Vinum, including any user documents that you had stored in the Codex Vinum app.
